About Pickyourtrail

Pickyourtrail is the Indian millennial's most loved leisure travel brand. Our mission is to *make a positive impact on people by delivering meaningful & memorable experiences through travel.*

We take pride in having built India's most loved Do-It-Yourself vacation builder platform. Over 100,000 travellers from 14 countries have picked their trail with us and have rated us exceptional across TrustPilot, Facebook and Google. In fact, Google in its travel survey had cited Pickyourtrail's model of combination of expert-led advice and tech platform as the desired solution for the vacation industry. With an NPS score of 60+, We continue to focus on delivering exceptional value and experiences for the new age travellers breaking away from the traditional packaged tours model.

Why work with Pickyourtrail

The most obvious question is on the industry - The travel Industry has been the worst hit in the Pandemic. We strongly believe that with the vaccination percentages and overall understanding of the disease the worst is behind us. The next 12-24 months is a watershed moment in the travel industry and more so in the Leisure vertical. The huge pent up demand is real - look around and almost every 2nd person you come across wants to take a break. By joining any travel company, you are buying a shot at an accelerated career growth over the next few years!

Pickyourtrail is one of the very few travel startups that have survived the pandemic. We have not only survived but also increased our product portfolio to now include - Domestic Staycations, Global markets (Dubai and USA) in addition to our India outbound market. Despite the tough circumstances
